## **WILSON NICARAGUAN** POLICY LIKE TAFT'S

New York Bankers Give Programme for Financing Republic.

BACKED BY GOVERNMENT

Wall Street Says It Differs But Little From "Dollar Diplomacy."

Announcement by New York bankers retorday of their programme for the mancing of Nicaragua presented for the time the details of the Wilson Adinistration policy in the Central Amerian question. To the financial district th ome of the bankers indicated that Wilson policy is similar to that inaugurated by the Taft Administration Collection of the customs by an Amerioffector-general and administration finances of the country through the bank, as well as administration of the finances of the country through the railways, are to be kept under the eye the banks, who in turn have the moral The extent of this support by the Government is not announced by the bankers. The fact, however, that the Secretary of the steeper of the proposed to Murder Him et of the United States Government state has the privilege of appointing one of the two directors nominated by the Minister of Finance of the republic on the sounds of the National Bank of Nicaragua the railway system was taken by in-ntional bankers to mean that the sup-of the Administration is sufficient for bankers' needs. The United States bankers' appointed examiners.

### like "Dollar Diplomacy."

Rankers were not inclined to believe the Administration policy in Nica-a would be followed in the case of a and the Far East, though it was pied that the present plan of reor-zing and operating the finances of cagua, presumably to be followed in Central American republics, difrtly after the Administration began.

Outside of the \$1,060,000 treasury bills now issued the only foreign debt of Nicaragua is the English held bond issue of 11,200,240. Railroad deficits have of 11,200,240. Railroad deficits have the serious fine facility of the bank put on a firm basis, custies of the bank put on a firm basis of the bank put of the saw James Gayley, for merly first vice-president of the Steel Corporation, relative to put of the bank put of the case of the bank put of the bank put of
